### **WELCOME to the Naval Sea Cadet Corps “A Part of the Navy family”.**

Your prospective cadet has made application for enrollment (or re-enrollment) to the United States Naval Sea Cadet Corps, a program supported by the United States Navy and Coast Guard. The Chief of Naval Operations has delegated the Commander, Naval Recruiting Command responsibility for coordinating Navy support of the NSCC. The Recruiting Command's Youth Programs Organization helps ensure Navy facilities and resources are made available for Sea Cadet training. The Kingsville Navy League sponsors our NSCC/NLCC programs at NASK.

For new Cadets, upon receipt of the properly executed enrollment documentation, enrollment fees (currently \$50 INDOC with \$100.00 annually thereafter), and physical examination, **without physical disqualifications as listed on the reverse side of the physical examination form (NSCADM 021)**, along with the NSCADM 020 (Medical History form w/immunization record), your cadet will be issued the required uniforms on a loan basis. **(Uniforms remain the property of the unit).**

While NSCC enrollment is current your cadet is covered under the NSCC ACCIDENT & SICKNESS “EXCESS” Insurance Policy. Information on that policy is included in the enrollment package. Please read and understand this document, as it requires your signature.

The first year, your cadet will be expected to attend NSCC Recruit Training for Sea Cadets (2 weeks - \$110.00) or NLCC Orientation for League Cadets (1 week - \$65.00.) These are the same fees senior cadets pay for their first Advanced Training of the year. Your cadet may also qualify for Advanced Trainings (ATs) after RT. The cost of the second training for all cadets, as annually published by National Headquarters, usually costing \$100.00 (1 week) - \$200.00 (2 weeks) per training. **Please be mindful that the cost of these trainings and the transportation to and from the training sites are the sole responsibility of the parent/guardian.** The parents and the Command in close support of the Parents Auxiliary will try and elevate some of these expenses by coordinating transportation. In order for your cadet to qualify for the published trainings, they must be qualified with completed course work and other qualifications as required for the particular training. Your Cadet should check with the unit Training Officer for these requirements. If for some reason your cadet cannot or will not finish the training, it will be the responsibility and monetary cost of the parent/guardian to retrieve the cadet from the training site upon the request of the Commanding Officer in Charge of the Training Contingent.

TEXAS Division will usually drill on the third weekend of the month. When we do the 2-day drills at NAS Kingsville, cadets should bring sack lunches. When we have weekend drills, it will be from Friday evening to Sunday afternoon. There will be a \$20.00 cost for food and lodging.

Behind the successful NSCC volunteer youth organization there is the backing of the Parents Auxiliary. The Auxiliary helps raise funds to defray the cadets training costs. All families are required to have at least one adult member as an active participant of the TEXAS DIVISION Parents Auxiliary.

**If your Cadet drops from the program, you as the parent/guardian agree to return the NSCC ID card, ALL NSCC Uniform Items ON LOAN and TEXAS DIVISION property including, but not limited to correspondence course work booklets, CD's and/or tapes.** By your signature on this document, you agree to these terms and that you will actively participate in the Parents Auxiliary. There are NO refunds as the monies paid are designated for enrollment and operation of the program.

**Should you have any question, please call or email. Welcome aboard.**

LCDR Suzy Williams, NSCC  
Commanding Officer  
TEXAS DIVISION &  
NSCC Committee Chairman
